Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 15 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Snow in eastern parts Saturday and rain in west.

This Evening and Tonight:
Some fog over eastern parts, becoming more widespread for a time then clearing as winds strengthen overnight. Thicker cloud and rain arriving from west, turning to snow for some northern and eastern parts later. Cold for eastern parts.

Saturday:
Rain moving east. Snow over high ground in the north and to low levels in the east, particularly East Anglia. Cold here but turning less cold from the west. Windy.

Outlook for Sunday to Tuesday:
Rain and strong winds clear to the southeast on Sunday, with showers following across the northwest. Turning wet and windy later on Monday, with heavy rain for many western hills.
